

We really hope we're wrong, but if we're being honest with ourselves, June 2021 isn't likely to be massively different than it is now. There are some people getting the Covid-19 vaccine, but we still have a long way to go.

We're thankful to report that zero COVID cases were reported to be associated with any of our Official Sturgis Events in 2020, so we're moving forward with those exact plans we did for our Off-Road Rally, Mountain Bike Races, etc. Here's the plan for now:

- **Registration**

- **No on-site registrations.** If your coming to the Rally, please register online beforehand. (No exceptions!)
- If you cannot sign up online, we can do a phone registration up to June 15th.

- **Packet Pick Up - Contactless check in**

- Mask up! Sure, we will try and be outside in the bright, warm sunshine, but we've got important folks to protect!
- Please sign the waivers on-line when registering.
- Contactless check in. Our volunteers and staff will make sure your waiver is signed, then assign you an event number and give you a bag, and you'll be on your way. Two steps; that's it!

- **Events**

- Most events are going to be outside however we do have a couple of events that are inside. As long

as we are outside masks are optional. When we go inside please respect the business and follow their guidelines. We need to agree to help protect one another.

- Mask up when you approach any staff or event person, if possible. As mentioned earlier, we've got important folks to protect!
- Poker Run stops, please respect the businesses. If they are wearing masks, please wear your mask.
- Even though our dinner party is at a massive indoor/outdoor facility, we ask that you mask up if you're around any others with whom you don't reside.
- If things change between now and June 24th, we will let you know.

Thank You,

CITY OF

Sturgis[®]
